EASTER SERVICE

31 MARCH 2024

(Herman Bavinck)

"The resurrection of Jesus Christ is an event firmly rooted in history, validated by the empty tomb, the appearances to numerous witnesses, and the subsequent growth of the Christian movement."

(N.T. Wright)

"The belief in the resurrection of Jesus Christ is not wishful thinking but grounded in historical evidence. It is the pivotal event that confirms Jesus' identity as the Son of God and the hope of new creation."

(Billy Graham)

"Our greatest privilege is to be witnesses to the resurrection of Jesus Christ."
